

Diagram illustrating a sequence of points (R1 to R12) and their connections on a grid. The grid is divided into colored regions: blue (top-left), red (top-right), green (middle-left), light blue (middle-right), and white (bottom-left). The bottom-left cell is divided by a diagonal line with 'W' and 'E' in red. The bottom row is labeled 1 to 4. The left column is labeled 1 to 4. Red arrows show a path starting from R1, going to R2, R3, R4, R5, R6, R7, R8, R9, R10, R11, and ending at R12.
